FINISHING TOUCHES THAT MAKE A DIFFERENCE

External hardware like knobs, pulls and other handles are the jewellery of the kitchen. They can help enhance your kitchen's look as well as its use.

Whether you choose modern, contemporary or traditional, there is a handle for everybody and every kitchen.

We hope you find our brochure helpful in choosing your perfect handle. If you have any queries, please do not hesitate to contact us.

SHOWROOM

Situated at our warehouse/office in Bolton, the showroom will provide you, the customer, the opportunity to view our handles and the many items within our product range.
